You cannot grow upward whether in spiritual or material terms without first having taken care of life's necessities and demands. So often we seek spiritual enlightenment in some far off place or dimension - yet it sits here too in earthly tasks - the caring of children and pets, the cleaning of houses and in the washing of clothes.

RRMS - the most common disease course - is characterized by clearly defined attacks of new or increasing neurologic symptoms. These attacks - also called relapses or exacerbations - are followed by periods of partial or complete recovery (remissions). During remissions, all symptoms may disappear, or some symptoms may continue and become permanent.
