Disrupted: My Misadventure in the Start-Up Bubble is a book written by American author and journalist Daniel Lyons. The book describes the author's experiences working at the software company HubSpot and offers a sharp critique of the company's management and culture. Shortly after the book was published, Lyons wrote in The New York Times that HubSpot had a "frat house" atmosphere. He also called the company a "digital sweatshop" in which workers had little job security. Later ...
