which anyone with expertise can edit – including you. Unlike Wikipedia articles, which are essentially lists of facts, Wikibooks is made up of linked chapters that aim to teach the reader about a certain subject.

Financial Independence Getting To Point

My main point was that financial independence isn't a single point or

Human life expectancy has increased steadily for the last 200 years, resulting in global aging. ¹ Getting older can be stressful because of multiple losses such as:

financial, psychosocial, personal, a decline in health, independence, and cognitive and functional abilities.

According to the cybernetic theory of stress, coping and well-
