Women who wake up in the night are up to twice as likely to die young, a new study has warned. Despite the startling statistics, females could reduce their risk by blocking out sounds with ear plugs or losing weight. The research of 8,000 men and women looked at "unconscious wakefulness" during the night, which everyone experiences.

Women who wake up during the night are 'twice as likely to ...

Bonfire Night, also known in the UK as Guy Fawkes Night (or Guy Fawkes Day), ignites every November 5 to mark the failed 17th-century attempt to blow up Parliament and assassinate King James I. You can mark the occasion by lighting your own bonfire, going to a fireworks show, or learning more about the Gunpowder Plot.
