Mason Crosby: You've got to take joy in the moments ...

“Sometimes, people tell us that while their loved ones were dying of cancer they were singing our songs to them as they were passing. Words can’t describe how that makes me feel. To be let into those moments and for us to have that privilege - that God has let us take the gift of music and share it and do something that could help someone ...

About — SELAH

Writer Andrew Solomon has spent his career telling stories of the hardships of others. Now he turns inward, bringing us into a childhood of adversity, while also spinning tales of the courageous people he’s met in the years since. In a moving, heartfelt and at times downright funny talk, Solomon gives a powerful call to action to forge meaning from our biggest struggles.

Our eyes can only see so much and teaching yourself how to use them (and to actually look) is a skill you can practice. Take your camera with you and use it. Some moments happen quickly but if you've trained your eye to see and capture, then you can keep up. I'm trying to look at everything and I'm getting better at seeing in the process.

Our memories are what we are, what makes us make the decisions we make, act as we act and love as we love. We would be nothing without our memories but, is it possible to remember everything? The answer is no, but we can take measures so that when it comes the time to look back, we have as many memories as we can. How you do it ?. Very easy.

Heal Our Land. April Dixon | September 25, 2019 “When I shut up the heavens so that there is no rain, or command locusts to devour the land or send a plague among my people, if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.” — 2 ...
