Summary. The Crucible, Arthur Miller's 1953 realist play, is based on the historical events of the 1692 Salem witch hunts. Although partially fictionalised, it depicts the very real consequences of false accusations based on blind religious faith, as Miller displays the dangers of such baseless rumours. However, the play was written during another type of witch hunt: McCarthyism in 1950s America.

A recent Washington Post headline says: "In America, talk turns to something not spoken of for 150 years: Civil war." The story references, among others, Stanford University historian Victor Davis Hanson, who asked in a National Review essay last summer: "How, when, and why has the United States now arrived at the brink of a veritable civil war?"
