Romance cards (also called sexcards) within The Witcher are a trophy of sorts which can be collected over the course of the game. Whenever Geralt sleeps with a female character (or NPC) in the game, you collect a romance card. These cards are reminiscent of early 20th century novelty "naughty" postcards. Each card is initially presented during a

A democratic world parliament that is freely elected by all world's citizens needs to be a centerpiece of any legitimate future global organization. From this standpoint, a belief in common democratic values and ongoing democratization at the level of nation-states seems to be a major precondition for any viable global constitutional process.
