### An Introduction To Psychological Science

Early history. In Western culture, contributors to the development of psychology came from many areas, beginning with philosophers such as Plato and Aristotle. Hippocrates philosophized about basic human temperaments (e.g., choleric, sanguine, melancholic) and their associated traits.Informed by the biology of his time, he speculated that physical qualities, such as yellow bile or too much ...

### psychology | Definition, History, Fields, Methods, & Facts ...

Description. Combining the study of criminology with an accredited 3 year psychological science degree will allow students to apply knowledge of human behaviour to a wide range of fields within the criminal justice area, but will also enable students to continue their professional training in psychology.
