Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

The time will come when, with elation you will greet yourself arriving at your own door, in your own mirror and each will smile at the other's welcome, and say, sit here. Eat. You will love again the stranger who was your self. Give wine. Give bread. Give back your heart to itself, to the stranger who has loved you all your life, whom you ignored for another, who knows you by heart.
