Assessment Chapter Test Forces

A test or examination (exam or evaluation) is an educational assessment intended to measure a test-taker's knowledge, skill, aptitude, physical fitness, or classification in many other topics (e.g., beliefs). A test may be administered verbally, on paper, on a computer, or in a predetermined area that requires a test taker to demonstrate or perform a set of skills.

Test (assessment) - Wikipedia

Assessment usually conjures up images of an end-of-unit test, a quarterly report card, a state-level examination on basic skills, or the letter grade for a final laboratory report. However, these familiar aspects of assessment do not capture the full extent or subtlety of how assessment operates every day in the classroom.
