flexible learning environments for the 21st Century.

Resource For

Home - Creating Classrooms

Creating a physical classroom in your home has a few advantages. It allows you to have a separate space where you can set up your instruction for the day ahead, so you won't feel rushed or like you're playing catch up. It also helps

With COVID-19 causing nationwide school closures, parents across the country are forced to turn their homes into virtual classrooms. Teachers have been working fervently to provide access to education even though students are not in the classroom. It can be confusing and unsettling when a child's regular routine is disrupted, so it's
