Democracy And The Public Space

And yet, Democracy and Public Space argues, such views are leading us to confuse the medium with the message, focusing on electronic transmission when often what cyber citizens transmit is pictures and narratives of real democratic action in physical space. Democratic citizens are embodied, take up space, battle over access to physical resources, and perform democracy on physical stages at least as much as they engage with ideas in virtual space.

" Democracy and the Public Space in Latin America is an essay in comparative political sociology written in the grand style.

Democracy and the Public Space in Latin America: Avritzer ...

In actuality, public space is crucial, and central, to our democracy. Public spaces are the center of democratic expression and protest, and they are catalysts for social and political change. We are seeing that in action, today. And now, just as we have seen many times in the past, they are not without conflict.

"Whose Streets, Our Streets": Democracy Still Lives in ...

Democracy and Public Space claims that the current fashion for online democracy risks undermining democracy's very foundations. Challenging the received academic wisdom, the author offers a compelling, new vision of democratic public space and assesses the success of eleven world cities in the light of it.

...

What Makes a Public Space Good for Democracy? - Bloomberg

In American democracy, “the public” is constituted by private individuals. In this paper, I suggest that the presence of homeless people in public spaces raises important contradictions at the heart of this definition of “the public.” Many commentators suggest that these contradictions have led to “the end of public space” in contemporary cities, or at the very least, the removal of its political functions to the “space” of electronic communication. I examine what this move ...

...

The term 'public space' is also often misconstrued to mean other things such as 'gathering place', which is an element of the larger concept of social space. Public spaces have often been valorized as democratic spaces of congregation and political participation, where groups can vocalize their rights.
