Introduction 'The Riven Wyrde Saga', authored by Graham Austin-King, is his first fantasy series. This saga is a trilogy consisting of 'Fae - The Wild Hunt', 'Fae - The Realm of Twilight' and 'Fae - The Sins of the Wyrde'. The pre

Fae: The Wild Hunt (Riven Wyrde Saga #1) by Graham Austin-King

Fae: The Wild Hunt is an epic fantasy, written in a similar sweeping style as "old-school" fantasy writers such as Eddings. The prose is beautiful, but at a couple of points a little verbose, however that's my only niggle. There are several characters and plot threads running through this book, which all build up towards a stunning finale.

Fae: The Wild Hunt is an interesting book and is somewhat difficult to classify. I'm inclined to say it's a Young Adult Fantasy but it's a good deal more grounded, moody, and strange than the majority of works which would fall underneath those categories.

Britain is an ancient land and, as such, is riven, crossed and scrawled about with common lanes, by-ways, green roads and forgotten paths. These ways have traditionally been the preserve of the Fae. Humans, however, have a terrible habit of building right across these paths - generally without ever noticing that they are there.
