: 54 Belleau argues that, through strategic intersectionality, differences between nat-cult feminisms are neither essentialist nor universal, but should be understood as resulting from socio-cultural contexts. Furthermore, the performances of these nat-cult feminisms are also not essentialist. Instead, they are strategies.

Intersectionality - Wikipedia

Feminist social work practice is based on principles derived from the political and social analyses of women's movements in the United States and abroad. As a practice approach, feminism emphasizes gendered analyses and solutions, democratized structures and processes, diversity and inclusivity, linking personal situations with political solutions, and transformation at all levels of ...

Feminism Definition & Meaning | Dictionary.com

Methodology/method. Research methodology is a strategy or plan of action that shapes our choice and use of methods and links them to the desired outcomes. 8 In contrast with a decade ago, when epidemiological methods were regarded as the only gold standard in public health research, many authors agree 9,9a,9b that effective public health research requires methodological pluralism.
