Parents need to know that Independent Study is a dystopian science-fiction adventure in the mold of The Hunger Games. It continues the story begun in The Testing, in which high-achieving students are pitted against one another in an exam that has life-or-death consequences. The violence is less intense in this installment and mostly concentrated at the book's climax.

Independent study courses also might be right for you if you need to take a semester off from your regular college schedule but would still like to earn a few credits. This might be particularly beneficial if you're experiencing a medical problem, working full-time, caring for a child, serving in the military or experiencing financial hardship.

We learned that we could receive credit for our independent study, and that it would count as one of our classes for the winter term. We were hooked! Our professor worked with us to create our own syllabus. I enjoyed this part of the process because it gave us an insight into what professors go through every term when they are planning a class.
