Iron Age Britain English Heritage

Iron Age Kings and their Roman Connections The burial goods from Lexden Tumulus and the earthworks of Bluebottle Grove in Essex provide tantalising glimpses of rich and powerful leaders in Iron Age Britain, and their strong links with the Roman world.

Iron Age Kings and their Roman Connections | English Heritage

In the early and middle Iron Age people built bigger and more elaborate hillforts like Maiden Castle in Dorset and Old Oswestry in Shropshire. They also began to make weapons and tools out of iron. Evidence of ritual offerings of military equipment and fine metalwork suggest the dominance of a warrior aristocracy and the emergence of tribal territories.

Chysauster Ancient Village is a late Iron Age and Romano-British village of courtyard houses in Cornwall, United Kingdom, which is currently in the care of English Heritage. The village included eight to ten houses, each with its own internal courtyard. To the south east is the remains of a fogou, an underground structure of uncertain function.

Chysauster Ancient Village - Wikipedia

The Iron Age is the age of the "Celt" in Britain. Over the 500 or so years leading up to the first Roman invasion, a Celtic culture established itself throughout the British Isles. Who were these Celts? For a start, the concept of a "Celtic" people is a modern and somewhat romantic reinterpretation of history.
