Literature Review And Discussion On

The literature review begins with a discussion of the related literature from a broad perspective. It then deals with more and more specific or localised studies which focus increasingly on the specific question at hand. Discussing and evaluating the literature

Getting Started on Your Literature Review | UNSW Current ...

Composing a review is an exercise in comparative thinking. Your critique should be in your final discussion, where they will be more efficient and significant to the reader. Connect paragraphs to one another, and link studies within paragraphs. Try to make your literature review attractive by coming up with the topic sentence of each ...
