Smarties Investigation | Teaching Resources

Hello Year 4, Fractions can be hard to deal with unless we have something with which to test out ideas. A major bonus in this lesson is, once the lesson is over, you get to eat the resources. :) Smarties have always been a favourite of mine as well. @RossMannell Teacher, NSW, Australia. Reply Delete

Maths Lesson Ideas - Smarties! | OpenEdToolbox

Task #1: Compare 4/8 to 8/4. To begin, I asked students to compare 4/8 and 8/4 on their number lines and hundreds grids. During this time, some students chose to work alone while others worked with a partner in their math groups. I took this time to conference with students. Next, some students volunteered to come up to the board to show their ...
