New Nurse How To Get

A Nurse Practitioner (NP) is an RN who has earned a separate license as an NP through advanced clinical nursing education (usually a master's degree) in a distinct specialty area of practice. Nurse practitioners may diagnose, treat, and prescribe for a patient's condition that falls within their specialty area of practice.

NYS Nursing

If you are licensed as a nurse in another state, you must provide the New York State Education Department with verification of that licensure. The National Council of State Boards of Nursing (NCSBN) handles verification of RN and LPN licenses for a majority of states through their Nurse System (Nursys).

NYS Nursing:Contact Information

Founded in 1992, the MCNP is a non-profit professional membership organization for Nurse Practitioners in Massachusetts that provides state-based representation and support for NP practice and regulatory issues regardless of specialty or organizational affiliation.
