The neck is usually maple with a flamed figure compatible with that of the ribs and back. It carries the fingerboard, typically made of ebony, but often some other wood stained or painted black. Ebony is considered the preferred material because of its hardness, appearance, and superior resistance to wear. Some very old violins were made with maple fingerboards carrying a veneer of ebony.

Of course, most of us have just revisited the whole Friday the 13th film franchise at length, thanks to the recent Shout box set release. The minute Hills Have Eyes 2 started to roll, the familiar shrieking violins, barking horns, eerie synths, etc. were like an old, comfortable, favorite pair of shoes.

After the fireplace was removed in the 1920s, the famous stained glass was displayed in a variety of interior locations. In 1995, it was moved to the fourth floor exterior, above the lobby entrance. In 2020, the piece was carefully removed for a complete restoration and will be returned to its original second-story location by summer 2021.
