Uniden Support - Downloads and Manuals

Thanks for the help. I looked on Uniden's website and tried several different models and none of them seemed to work. I believe the BC300 or the BC350 are the correct instructions for the BC700A that I have but I haven't been able to get them to work yet. When I turn on my scanner it also says "memory loss" in the lower right corner of my display.
